

About Us

We're a non-profit organization in Sri Lanka. Our mission is making life better for everyone.

The story of paper masters

Kavindu Sabaratne and Malinda Halpitiya came up with this idea in 2019. And then the app was built in 2021 with the help of Tharindu Chathuranga, Shanaka Edirisinghe and Nimash Shanka.

Our approach

Our approach is to combine all automation and social tech, to pioneer new experience in digital platforms.

Usage of this app

This app brings you, past papers for 2 decades. This app contains every subject in all the streams. Students can get model papers according to their subjects.

Special thanks: We extend our sincere gratitude to Dr. Udayakantha Sabaratne for his valuable guidance and encouragement.

CONTACT US

In order to resolve a complaint regarding the app or to receive further information regarding use of the app, please contact us.
